MESSAGE FROM THE PRESIDENT OF SEMPRA INFRASTRUCTURE

CHAIRPERSON OF THE ADVISORY COMMITTEE OF SEMPRA INFRASTRUCTURE FOUNDATION

Our vision at Sempra Infrastructure is to deliver energy for a better world. Everything we do is guided by our vision, hence the importance of working harder in favor of the communities where we have the great privilege of operating.

In 2023, we officially launched the Sempra Infrastructure Foundation, as a result of our evolution from the IEnova Foundation, reaffirming our commitment to transforming lives. This milestone motivates us to multiply our efforts to extend our positive impact and continue driving the development of the people whose lives we touch.

We are convinced that access to energy is essential to achieve a more prosperous and just world. Through infrastructure, support for education and innovation, and an active corporate volunteer program, we contribute to the global commitment to the energy transition while also helping to transform the lives of many communities.

In collaboration with civil society organizations, we have supported over 300 projects with donations totaling approximately \$230 million pesos, reaching more than 1.5 million people in 23 states in Mexico.

To achieve this, we focus on four lines of action, our 4Es:

- Education for the Future
- Sustainable Electrification
- Emergency Relief
- Employee Engagement

By strengthening our focus with strategy and enthusiasm, at Sempra Infrastructure Foundation we work for a better world.

We are Sempra Infrastructure Foundation.

TANIA ORTIZ MENA LÓPEZ NEGRETE

PRESIDENT OF SEMPRA INFRASTRUCTURE

CHAIRPERSON OF THE ADVISORY COMMITTEE OF
SEMPRA INFRASTRUCTURE FOUNDATION

MESSAGE FROM THE SENIOR VICE PRESIDENT OF CORPORATE AND PUBLIC AFFAIRS, AND CHIEF SUSTAINABILITY OFFICER

CHAIRMAN OF THE BOARD OF DIRECTORS OF SEMPRA INFRASTRUCTURE FOUNDATION

We are pleased to share our 2023 results for the Sempra Infrastructure Foundation, which demonstrate our commitment to transforming lives by supporting organizations and programs that contribute to the development of the communities we serve.

This year has been particularly significant as we implemented a new strategy while intensively engaging our employees with various causes. This report is an account of these actions and the projects that have been implemented during this period.

As part of our initiatives, Sempra Infrastructure Foundation made donations totaling \$42.8 million pesos, of which \$6 million were for projects focused on educational or training scholarships for talented young people with emphasis on energy and/or environmental issues. Additionally, \$28.9 million pesos were allocated to projects promoting

clean energy solutions at centers serving vulnerable groups. These projects are aligned with our business vision, supporting an energy transition and generating significant savings for organizations so they may improve their services to beneficiaries.

This year, I would like to highlight the various corporate volunteer activities. I want to particularly thank all Sempra Infrastructure employees in Mexico, who actively contributed to improving the quality of life in the communities we serve.

By working on our present, we shape the future where we will continue to drive our actions to generate an even greater positive impact.

We are Sempra Infrastructure Foundation.

ABRAHAM ZAMORA TORRES

CHAIRMAN OF THE BOARD OF DIRECTORS FOR SEMPRA
INFRASTRUCTURE FOUNDATION

OUR STORY

WE ARE DRIVEN BY A STRONG COMMITMENT TO IMPROVE THE WELL-BEING OF THE COMMUNITIES WE SERVE.

SEMPRA INFRASTRUCTURE DEVELOPS, BUILDS, AND OPERATES ENERGY INFRASTRUCTURE FOR A BETTER WORLD.

MISSION

At Sempra Infrastructure Foundation, we are committed to transforming lives by supporting organizations and programs that contribute to the development of the communities where we belong.

Founded in April 2015, we are a second tier Foundation duly authorized to make donations and economic contributions in compliance with the requirements of the Mexican tax authority Servicio de Administración Tributaria (SAT).

2015

- Foundation created (April).
- Began relationship with Cruz Roja Mexicana, I.A.P. - the Mexican Red Cross - through the Winter Plan in the Tarahumara mountains.
- Began relationship with Fundación para la Protección de la Niñez, I.A.P., with the adoption of six foster homes in Mexico City, Chihuahua, Ensenada, Hermosillo, Mexicali, and Torreón.
- Began relationship with Instituto Educativo del Noroeste, A.C. (CETYS) and Fundación UABC, A.C.

2017

- Conducted a study to define four priority action programs (one program per line of action).
- Financed the first project to install solar panels, benefiting A Favor del Niño, I.A.P.
- Signed the first agreement with the Mexican Red Cross, regarding natural disasters.

2020

- COVID-19: An unprecedented investment was made to alleviate the effects of the pandemic on vulnerable populations.

2022

- Changed the name to Sempra Infrastructure Foundation to align with organizational restructure.
- Conducted a strategic planning exercise to define new lines of actions.

2023

- Presented Sempra Infrastructure Foundation, officially.
- Launched corporate volunteer program.
 - Volunteers with Energy
- Restructured our lines of actions.
 - Education for the Future
 - Sustainable Electrification
 - Emergency Relief
 - Employee engagement
- The annual call prioritized receiving projects for the first two lines of action.
- Initiated an evaluation to measure the impact of our social investment and to guide decisions for future projects.

SDGs we influence

SUPPORT FOR COMMUNITIES WHERE WE OPERATE THAT HAVE BEEN AFFECTED BY NATURAL DISASTERS OR EMERGENCY SITUATIONS.

During the cold season, we joined, as we have done every year since 2015, the Mexican Red Cross Winter Plan. This year, we delivered humanitarian aid to communities in Aguascalientes, Chihuahua, Estado de México and Puebla that suffer the effects of the winter season.

In 2023, no disasters occurred in the communities where we operate; however, as an act of solidarity, we called upon our employees to donate to the Mexican Red Cross to help alleviate the effects in Guerrero caused by Hurricane Otis. The funds contributed were tripled by Sempra Infrastructure Foundation.

TESTIMONIAL

“WITH YOUR SUPPORT, WE REACHED THE VULNERABLE POPULATION. THANK YOU VERY MUCH TO SEMPRA INFRASTRUCTURE FOUNDATION FOR ALWAYS BEING COMMITTED TO HUMANITARIAN CAUSES.”
